## 1. Company's Philosophy on Code of Corporate Governance

The Company is committed to maintain high standards of Corporate Governance and continues to practice the same to add long-term value. The core principles of Corporate Governance are:

- Lay emphasis on integrity and accountability.
- Incorporate several practices aimed at a high level of business ethics and effective supervision.
- Provide for enhancement of value for all stakeholders.

The Company's Corporate Governance conforms to all regulatory and legal requirements. The basic philosophy behind an endeavour towards better Corporate Governance is to achieve business excellence and strengthen the confidence of all stakeholders. It is very important for the Company to achieve economic success and simultaneously act responsibly towards the environment, people and society. These principles are also articulated through the Company's Code of Conduct which is applicable to the Board, Senior Management and every single employee of the Company. Under its comprehensive Code of Conduct, the Company is committed to a culture of sustainability and views it as a prerequisite for the Company's long-term success. Good Governance practices stem from the dynamic culture and positive mindset of the organisation. This Corporate Governance Report sets out a description of Schaeffler India's Corporate Governance practices.
